

Swedish Metals & Minerals

impact innovation

Dissemination of project progress and results – PPT

Instructions on how to highlight that the project was carried out within the framework of the Impact Innovation program Swedish Metals & Minerals on a PowerPoint slide.
See example on the next page!

Always use this line on one of your slides together with the program's logo:

The project has been carried out within the Impact Innovation program Swedish Metals & Minerals, a joint initiative by the Swedish Energy Agency, Formas, Vinnova and the industry.

- The logo is available in a one-line or two-line → version in black or white

**Swedish Metals
& Minerals**
